THE "TIMES" REPRESENTATIVES HAVE
FOUND TO WRITE ABOUT.KANSAS.
KAN., March 2, 1898.

BUZZARD TOWN:

Tipper-cat seems to be the prevailing game in Kansas at present.

A BIG MEETING OF THE YOUNG LADIES CLUB ON SUNDAY last, it was decided to change the name from L. A. F. to the more appropriate one of Social, Literary and Industrial.

Work has been resumed on the new meeting house. The shingling is completed and the lathing nearly so. If the young men who stand on the street corner will stay their time would turn back a little toward the completion of the house we would soon have a better place to meet.

Some of the girls who attended the dance here on the 2nd of February were induced to take some articles which were in their wagon. The belt and stockings were taken, the examinee from John Carpenter's mill, but the girls, parents or parties were apparently among the young determined.
